

Erin Crumb

ALERE PROPERTY GROUP

NAIOPSOCAL.ORG

Erin Crum is Alere's newest team member, as Executive Vice President of Asset Management, overseeing a portfolio consisting of over 30 million square feet in the Southern and Northern California markets. Erin has been a real estate professional since 2004 and has worked in diverse commercial real estate sectors, including asset management, leasing, brokerage, property management, and facility management. She is an effective leader with a proven ability to motivate, organize, and direct team members to execute successful asset management strategies designed to create value.

Before joining Alere Property Group, Erin spent 9+ years with Rexford Industrial as the Senior Vice President of Operations.
