ECM MANAGEMENT

NAIOPSOCAL.ORG

Emily Mandrup is Founder of ECM Management, offering entitlement and construction management services for developers and build-to-suit clients. With over 25 years of experience in industrial land development she has built an exceptional reputation for integrity and effective project management. She has successfully completed over 50 developments, totaling over 15 million SF.

Emily proudly participated in the inaugural NAIOP YPG Class in 2005 and is currently serving as Chair of the NAIOP SoCal Board Mentorship Committee.
