Courtney Wing, VP of Development & Construction at Newcastle Partners, drives a 3.5M+ SF Inland Empire pipeline, overseeing entitlements, permitting, and construction. She spearheaded the three-year entitlement process behind the April 2025 groundbreaking of a 400K SF industrial project in Hesperia, underscoring her skill in navigating complex approvals and forging strong city partnerships. A NAIOP Research Foundation Visionary, Wing also serves on the NAIOP SoCal board and has held leadership roles with CREW Orange County.
